## 产品介绍 PRODUCT INTRODUCTION

### MAIN FEATURES

- Smooth & Gloss • Fine Cell Structure • Flame-retardant
- Waterproof • Acid resistant • Non-absorbent
- Non corrosive • Non toxic • High impact strength
- Light weight • Good tenacity • High rigidity

### SUITABLE FOR

- Cut • Saw • Shear • Punch • Drill • Bend • Mill • Rivet
- Weld • Paint • Print • Photo Mount • Emboss • Engrave
- Thermoform

### APPLICATION

- Bathroom cabinet • Construction • Advertising & Sign board
- Exhibition desk • Shelve in supermarket
- Decoration for partition wall and shop windows
- Architectural decoration and upholstery

### PRODUCT RANGE

CODE	COLOR	NAME	THICKNESS	Std.Width		Std.Length	
				mm	inch	mm	inch
SR-5001	Raw White	Embossed pvc	15mm-25mm	Base on the design			
SR-6001	Any Surface	Laminated pvc					
SR-7001	Any Color	Color pvc board					
SR-8001	Raw White	Celuka pvc	3mm-30mm	≤1220mm	≤ 48	≥1000mm	39
SR-9001	White						

\* Normal size is 1220mm \* 2440mm

\* Special lengths & widths as per customer's request

### PHYSICAL PROPERTIES

Properties	Unit	Value
Density	g/cm <sup>3</sup>	0.4-0.8
Tensile Strength	mpa	≥10
Rupture Elongation	%	≥15
Bending Strength	mpa	≥20
CHARPY Impact Strength	kJ/m <sup>2</sup>	≥10
Hardness	D	≥55
Softening temperature	°C	≥75
Water absorption	%	≥0.2

### MINIMUM ORDER

- 20 feet container
- 10 tons for one specification

### PAYMENT TERMS

- 30% by T/T as deposit before production, 70% balance before loading
- L/C at sight

### DELIVERY TIME

- 10-30 days after deposit
